

THE MOACAC "I-70 SERIES" COLLEGE FAIRS

The **Missouri Association for College Admission Counseling** is pleased to announce the annual MOACAC sponsored "I-70 Series" college fairs for students and parents in the spring of 2010. The fairs will be held in St. Louis and Kansas City. The schedule is planned around the 2010 MOACAC Conference held in St. Louis, which is sure to be a treat! We are pleased this year to also offer the **St. Louis City College Fair** providing college-bound high school juniors who attend St. Louis City public and private schools, an opportunity to explore college options.

MOACAC's mission is to assist students and families in the college admission process. The St. Louis and Kansas City college fairs are an excellent opportunity for students to meet with college representatives and to gather information on college selection and financial aid processes. We are inviting your institution to participate in this exciting event.
